

# “KROGER CARES” Fund-raising Program

How would you like to help the church raise funds by just purchasing your groceries? It is as simple as that! **All funds raised will go toward our general operating budget.**

We all purchase groceries. What an easy way to support the church!

How does it work?

1. Pre-paid Kroger Cares gift cards are sold to participants in increments from \$5.00 - \$500. As a church we purchase the cards from Kroger.
2. Participants use the card to purchase groceries at Kroger. ***You have to eat, anyway!***
3. Each time the card is depleted of funds, it can be re-loaded at the store (at the Customer Service office) in any amount as listed above.
4. Each card serial number is traced to Union UMC’s account. Every time the account reaches sales of \$5,000., the church receives a check for \$250.00. At that time, the account is zeroed out to begin the process again.
5. The cards may be used at all Kroger stores.

Once a card is purchased it can be used indefinitely and does not expire. The pre-paid cards may be purchased by new participants at any time through the church. What a great gift for family & friends. The more participants we have the more funds are raised to support the church. Enlist family and friends to purchase the cards.

If you are interested in participating, please fill out the attached form and put it in the offering plate, or, mail it with your check to Sandy Witty 547 East Street, Westfield, IN 46074. Cards will be delivered to you as soon as they come in from Kroger. It takes about a week to get the cards.
